

# 2021 ANNUAL REPORT TO THE MEMBERS

## NORTH TEXAS SOCIETY OF HISTORY & CULTURE

Open Letter from Tracy Mesler, President:

2021 was a year of sitting back and taking a deep breath after the disruptions caused by the covid-19 pandemic. We focused not on growth this year, but on improving our internal systems. We were able to get grant money needed to modernize and improve our security system, as well as to modernize and integrate our internal technology platforms. We also spent considerable time and effort into updating our processes and procedures so that we can continue to responsibly grow our wonderful Museum in a manner that makes Nocona and Montague County proud. We look forward to the future, and encourage those who are not yet members to join us! And most importantly, we want to thank everyone who has assisted us - those who've volunteered time, those who've made contributions in any form, and those who have continued and will continue to support us. THANK YOU!
