## A SUCCESSFUL SHEBANG!!

Thank you to everyone who helped make this year's Shebang a huge success! Thanks to everyone's help, contributions, and support we are able to continue with our plans to grow and expand our beautiful museum! We are getting bigger and better! Construction on permanent exhibits in west wing has begun!

### **Congratulations to our 2018 Volunteers of the Year! Larry and Joan Veale**

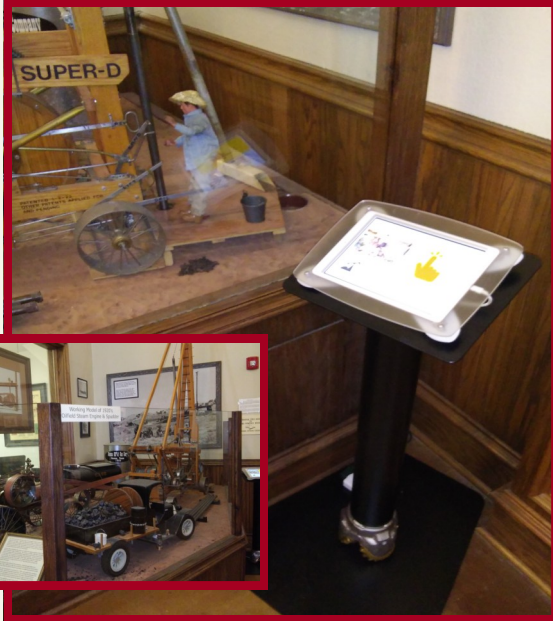

Larry and Joan have worked tirelessly to help ensure the success of our Museum by working Saturday shifts, dressing in costume for presentations to group tours and youth events, researching local history, and much more. **THANK YOU!!**

**New Oil & Gas Industry Exhibit!**  
Thanks to Steve Tettleton and Jarrett Davis, we now have a new, interactive iPad kiosk display that tells the stories of the discovery of oil in the North Field in the 1920s, the men who worked the rigs, and the equipment used. See the "little spudder" come to life in a special video created by the Nocona High School Radio Broadcasting Class, narrated by Olivia Storey and filmed by Rob Norman.

We have begun construction on our new Western Hall and Leathergoods Hall!! Soon you will be able to experience the Chisholm Trail and other new exhibits, with our new expansion scheduled for completion by the end of 2019.

## What's Your Point ?
