MUSEUM NEWSLETTER - JULY 2020

## 10th Anniversary Shebang

Due to the Covid-19 crisis, the 2020 Shebang, like many other events, will be altered to protect all involved. Instead of our usual live event, we will offer a few unique items on an online auction at [www.tntshebang.org](http://www.tntshebang.org). We will begin posting pictures of items August 1st and bidding will run from Sept. 1 through midnight Sun., Sept. 13th. Winners will be announced Sept. 14th.

TnT is again participating in Texoma Gives and the North Texas Giving Day, both online giving options that raise funds for non-profits. Depending on how much we have donated, we can be eligible for other prizes and moneys. Please consider these options if you are one of our regular Shebang participants. We depend on local support and greatly appreciate you helping us preserve our history!

## Gun Raffle Update

Covid-19 has drastically affected ticket sales and the availability of guns, so we have decided to have our drawing for fewer guns. We will draw on Wed. Sept. 30th at noon for four guns from approximately 200 tickets. If you wish to purchase a ticket for \$50, they are still available at the museum. Thank you for your understanding.

Tales 'n' Trails is a 501c3 nonprofit organization eligible for tax-deductible gifts and bequests.

## West Wing Honors McCalls

Because of generous donations made by members of the McCall Family, we are proud to dedicate our new West Wing addition in memory of Caddy and Betty McCall. This family has a very long history in Nocona, primarily through their association with the Farmers & Merchants National Bank. They were instrumental in starting it and several generations served the institution over its life. Learn more about their story in our F&M Bank exhibit.
