**In 1910 Joe Benton put the following ad  
in several Texas newspapers:**

**"Wanted - To correspond with persons familiar with the early  
history of Cooke, Montague, and Clay Counties, Texas. Also with  
persons who have driven cattle over the Chisholm Trail."**

**We are excited to have new members Tom & Jennifer Walker  
volunteering to examine, transcribe, and organize the  
responses Mr. Benton received.**

**We welcome Tom and Jennifer to Nocona  
and Tales 'n' Trails Museum!**

**Watch for  
something new  
at Tales 'n'  
Trails in the first  
few weeks of  
2023!**

We are thrilled to have this new donation! This amazing Caddoan bowl, dated about 1350 AD was found in Usher County while digging a swimming pool! It was generously donated to us by Dr. Ernest Martin of Gainesville. It will soon have a special place in our Native American Hall.

We would like to thank  
our volunteers, members,  
directors, Shebang  
participants, donors,  
sponsors, anyone who  
has supported us in any  
way in 2022!

We could not operate  
without the great support  
from our community.

We love when schools come to Tales 'n' Trails Museum! Volunteer Larry Veale does a great job with the kids! Saint Jo High School brought in over 80 students to enjoy the museum (in three groups, not all at once!) Many of the students had never been here before! Hopefully we will see more schools in 2023!

*Wishing Everyone a  
Merry Christmas and  
Happy New Year!*
